# STEP 2 Tell us about your family.

# Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage.)

#### DO include:

- Yourself
- Your spouse
- Your children under 21 who live with you
- Your unmarried partner who needs health coverage
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 21 who you take care of and lives with you

#### You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- Other adult relatives who file their own tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than 2 people in your family, you'll need to make a copy of the pages and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

Renewal of coverage in future years

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Marketplace to use income data, including information from tax returns. The Marketplace will send me a notice and let me make any changes, and I can opt out at any time.

Yes, renew my eligibility automatically for the next

☐ 5 years (the maximum number of years allowed), or for a shorter number of years:

4 years 3 years 1 year Don't use information from tax returns to renew my coverage.

### If anyone on this application is eligible for Medicaid

- I'm giving to the Medicaid agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I'm also giving to the Medicaid agency rights to pursue and get medical support from a spouse or parent.
- Does any child on this application have a parent living outside of the home?
- If yes, I know I'll be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell Medicaid and I may not have to cooperate.

# What should I do if I think my eligibility results are wrong?

If you don't agree with what you qualify for, in many cases, you can ask for an appeal. Please review your eligibility notice to find appeals instructions specific to each person in your household, including how many days you have to request an appeal. Below is important information to consider when requesting an appeal:

- You can have someone request or participate in your appeal if you want to. That person can be a friend, relative, lawyer, or other individual. Or, you can request and participate in your appeal on your own.
- If you request an appeal, you may be able to keep your eligibility for coverage while your appeal is pending.
- The outcome of an appeal could change the eligibility of other members of your household.

To appeal your Marketplace eligibility results, log into your Marketplace account at HealthCare.gov/marketplace/individual or call 1-800-318-2596. TTY users should call 1-855-889-4325. You can also mail an appeal request form or your own letter requesting an appeal to Health Insurance Marketplace, Dept. of Health and Human Services, 465 Industrial Blvd., London, KY 40750-0001. You can appeal eligibility for purchasing health coverage through the Marketplace, enrollment periods, tax credits, cost-sharing reductions, Medicaid, and CHIP, if you were denied these. If you qualify for tax credits or cost-sharing reductions, you can appeal the amount we determined you are eligible for. Depending on your state, you may be able to appeal through the Marketplace or you may have to request an appeal with the state Medicaid or CHIP agency.
